URBAN LIGHTING – DESIGN & MASTERPLANNING

Hoare Lea Lighting is an independent Lighting Design Consultancy. Its Principal, Dominic Meyrick, M.Sc., has shown a long-term commitment to CPD and HLL was the first consultancy to become a CPD Network Provider for the RIBA.

Under the umbrella title **LIGHT AS AN ARCHITECTURAL TOOL**, there are 5 individual topics covering cutting-edge lighting design issues, each of which takes one hour. Dominic is passionate about his subject and his lively, effective delivery makes learning fun.

LIGHT AS AN ARCHITECTURAL TOOL

- 01 THE BUILDING BLOCKS OF LIGHT
- 02 LIGHTING FOR THE ELECTRONIC AGE
- 03 LIGHTING FOR RETAIL THERAPY
- 04 AFTER DARK – LIGHT AND THE NIGHTSCAPE
- 05 LIGHT AND THE FEEL-WELL FACTOR

Dominic Meyrick will discuss:

Basics – colour rendering, appearance and temperature – and **why** they matter

Lamps – the 4 **families** – respect!

Just 'cos we can – the latest technology
